

CORRESPONDENCE/SELF STUDY COURSES

Grove Consultants are pleased to be able to offer a selection of their courses via correspondence and self-study. This allows students to choose a time convenient to them to learn. This option allows for flexibility and helps keep costs down in this tough economic climate whilst the quality of the course materials is maintained.

Correspondence/Self Study Courses

Who Will Benefit?

Testers, Test Managers, Test Team Leaders, Developers, Development Managers, Project Managers, Business Analysts. Anyone who has an interest in developing their skills in testing activities or gaining internationally recognised qualifications.

Courses Available:

ISTQB/ISEB Foundation (3 days)	£300 + VAT	All the course material used is from our existing accredited courses. The cost for the ISTQB Advanced core and one 3 day module is £500 + VAT. Once the core has been taken subsequent modules are £300 + VAT each.
ISTQB Advanced Core (2 days)		
ISTQB Advanced Test Manager (3 days)		
ISTQB Advanced Test Analyst (3 days)		
ISTQB Advanced Technical Test Analyst (3 days)		
ISEB Intermediate (3days)	£300 + VAT	
ISEB Practitioner Test Manager (3 days)	£450 + VAT	
ISEB Practitioner Test Analyst (3 days)	£450 + VAT	

How it works:

Once enrolled on the course you will be contacted by your Grove tutor and between you agree a schedule of work and target dates to complete the different sections to keep the momentum going.

All the materials needed to study and prepare for the exam will be sent to you, as they are required. So you will study the first section, complete a practice exam, which is then sent to your tutor for marking, along with any questions about the section just completed. The results will be sent back to you with any appropriate comments and answers to any questions. If it's necessary and appropriate, feedback may be given by telephone.

Once the entire course is completed you can register to take the appropriate exam either in a public sitting or via the online facility at Prometric centres for Foundation and Intermediate.
